

## CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

November 9, 1999

### **S. 923**

#### **Equality for Israel at the United Nations Act of 1999**

*As ordered reported by the Senate Committee on Foreign Relations  
on November 3, 1999*

S. 923 would require the Secretary of State to submit quarterly reports on efforts to ensure full participation by Israel in the United Nations and its acceptance into the regional bloc of the Western Europe and Others Group at the United Nations. CBO estimates that implementing the bill would not result in significant additional costs because the required tasks would not add significantly to the department's workload. S. 923 would not affect direct spending or receipts; thus, pay-as-you-go procedures would not apply.

S. 923 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact is Sunita D'Monte. The estimate was approved by Pete H. Fontaine, Deputy Assistant Director for Budget Analysis.
